"Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way to live."

"What you wear is how you present yourself to the world, especially today,
when human contacts are so quick. Fashion is instant language."

/// 544-004

“There is beauty in everything. What human beauty perceives in light, God really sees.
Something of beauty is it.”
