A full-body photograph of a woman with dark hair tied back, wearing a yellow kurta and a matching shawl. The garment is adorned with the same floral embroidery seen in the close-up. She is also wearing a colorful beaded necklace and a ring. The background is a simple, light-colored wall.

How wonderful to see that floral prints can be best complemented with embroidery work.

1001

A small, stylized floral logo consisting of three leaves or petals arranged in a triangular pattern.
